

Rethink, Inc.

850 N Dewitt Pl., 21-A
Chicago, IL 60611

Len Marchese, PMP, DASM

Leadership, Innovation, & Results

With over 30 years of business and technology experience, Len is passionate about giving back to the professional community and individuals seeking to make a difference. His mentoring and coaching experience spans startup, growth-stage, and Fortune 500 companies. Len works with C-level executives, entrepreneurs, teams, and individuals to advance their proficiency and potential.

Len's applies his expertise in public and private sectors, including financial services, healthcare, nonprofit, insurance, and technology businesses. He is considered a trusted advisor helping companies create sustainable solutions and uncover growth opportunities by applying his patented method for ideation and problem-solving.

With DASM and PMP certification and a Certificate in Project Management from Boston University, Len brings a proven track record for effective leadership and results. He is recognized for his proficiency in bridging business and technology and helping organizations manage risk, advance innovation, foster adoption, and deliver value.

As a guest speaker, Len shared his knowledge at Project Management/BA World, PMI Chicagoland and other PMI chapter events, ProjectTalks Chicago, IIBA Chicagoland, American Society of Trainers & Developers, Society for Human Resource Management, Columbia University, Cornell Club, and Asia-Pacific Executive Banking Conference.

Len is the Founder and CEO of Rethink, Inc. and a member of PMI Chicagoland Chapter's Board of Directors and Vice President of Community Outreach.

Whatever your goal, challenge, or desired outcome, Len stands ready to help you arrive and realize the benefits. Contact Len today for a free 30-minute consultation.
